

FINDING AID: SELWYN THEATRE HISTORIC RENOVATION - ARCHITECTURAL 1

Collection Overview

Identifier: SELWYN_ARCHITECTURAL

Inclusive Dates: 1998 - 2000

Scope and Content

This series includes architect Karlsberger Design Collective's complete job specification packets. These packets provide detailed specifications for all design aspects. Job identification numbers assigned by the architects are included in the folder description and are used throughout the documentation to connect architectural and construction phases of the renovation per construction guidelines.

Access Restrictions: Consult archivist for permissions. As the materials relate to a prominent building in the Times Square corridor of New York City, particulars in design specifications, plans, elevations and financials are not made public.

Types of Materials: Paper documents
